

CITY CRUISES TIMETABLE

From 26th March 2019 to 31st March 2020 inclusive

Relax and enjoy London from a different view, with scheduled services upriver and down-river, between four different piers.

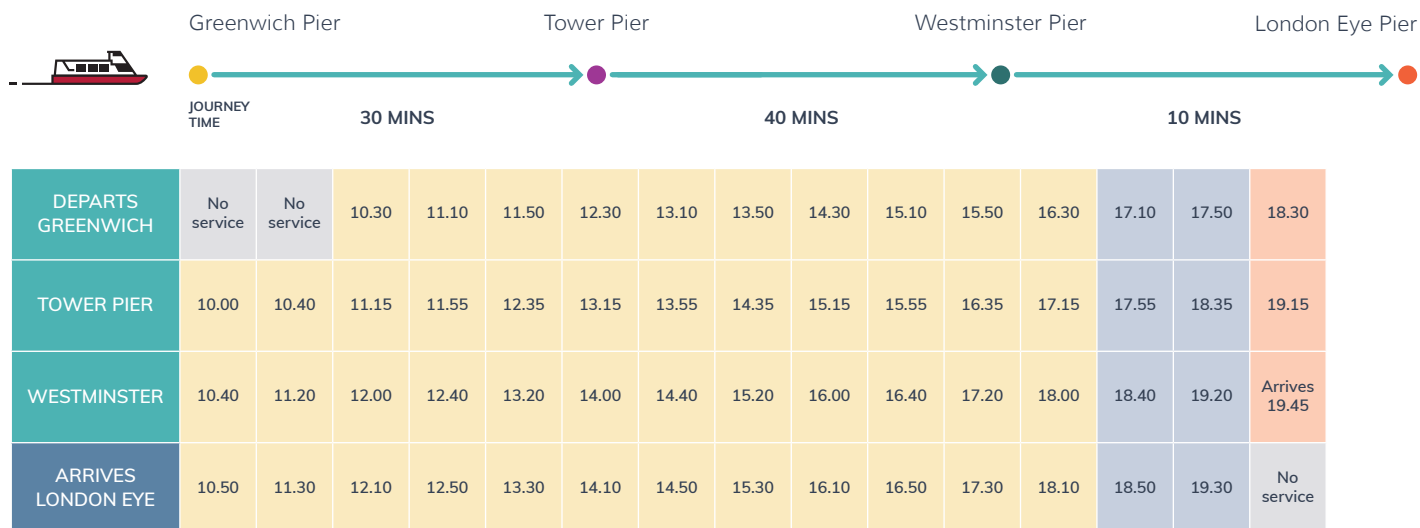

Choose your route, your time and sit back with a delicious snack or meal, listen to the live commentary (on most boats) and discover the thrilling stories behind London's most iconic landmarks.

You can book ahead or just turn up at your chosen pier, buy a ticket and jump on a boat – take your pick.
